

PRSTK-100H

pressure tank horizontal w/ membrane

capacity	: 100 liter
pre-charge pressure	: 2.0 bar
max working pressure	: 10 bar
working temp	: -20/99°C
tank material	: carbon steel
membrane material	: foodgrade butyl
outlet	: 1" M
flange material	: sus304

DESIGN.CRAFT.TECHNOLOGY/*desain.kraft.teknologi*

tangki baja karbon
carbon steel tank

foodgrade butyl membran
foodgrade butyl membrane

membran dapat diganti
replaceable membrane

sus304 flange
sus304 flange

tahan panas & dingin
hot & cold resistance

tangki tebal & kuat
thick & strong tank
